

## **\*\* MY PERSONAL RECOMMENDATIONS: May 4 Elections / May 28 GOP Primary Run-off**

---

### **TWO MORE ELECTION DAYS in MAY!**

Please, let's not grow weary in well doing...let's get to the polls as often as necessary.

**May 4** - **Non-partisan Elections** (Early Voting begins Mon. April 22.)

**May 28** - **Republican Primary Run-off Election** (Early Voting begins May 20.)

#### **NOTICES:**

1. **MASTER SAMPLE BALLOT** for ALL May 4 Montgomery Co. Elections.

2. **Many VOTING PRECTINCT BOUNDARIES have changed** due to redistricting. Check your "online registration."

**REVIEW YOUR SPECIFIC BALLOT** before going to vote on Election Day:

a. "**Check Your Voter Registration Status**"

b. "VIEW BALLOT"

c. "SAMPLE BALLOT" - (in tiny font)

3. **If you live in a MUD DISTRICT:**

+ We need to END homeowner subsidies for commercial developments.

+ We need to STOP secret MUD elections & include them on the November general election ballots.

+ We need to ENCOURAGE TRANSPARENCY with streaming & posting of all Board Meetings

Scroll all the way down the [MASTER SAMPLE BALLOT](#) to see new MUD districts being developed -\$\$ MULTI MILLIONS of \$\$ in bonds passing, some with only 1-3 registered voters in the district. This is an eye-opener!

4. [VOTING LOCATIONS - Early Voting & Election Day](#) *Many have changed for this election.*

5. **Don't forget! May 28, 2024 --Republican Primary Run-Off Election**

**Montgomery County Sheriff** -

[Election Day Voting Locations](#) *Many have changed for this election.*

6. *As Montgomery Co. GOP Precinct 31 Chair, I'm politically involved year 'round and I attend candidate forums, meet the candidates & study answers to questionnaires. Many of you have contacted me asking for my recommendations over the years because you know that I stand strong for faith, family, freedom & The Constitution.*

*Please do your own homework & cast a vote for your top choices. I don't tell anyone how to vote, but I've indicated my own choices in advance, looking for conservative & well-qualified Republican candidates. (It saves me time from responding to individual requests.) If you agree with me, then great! If you don't agree, that's OK.*

*Call or email me if you want to get more involved or be added to my email contact list.*

**Woodlands Water MUDs**

\$500 MILION in BONDS will be issued by the SJRA for replacing 48 miles of fresh water lines & the waste water treatment facility! So you can now expect your water bills to double & possibly triple over the next decade. We desperately need to elect strong fiscal conservatives to run our MUDs.

Projections of huge increases for water & sewer bills:

- [30 sec. - Example of HUGE increases for water & sewer bills.](#)
- [20 sec. - People may not afford to fill their swimming pools.](#)
